

## UIC Campus VPN Service

VPN service provides an off-campus secure connection to the campus network for:

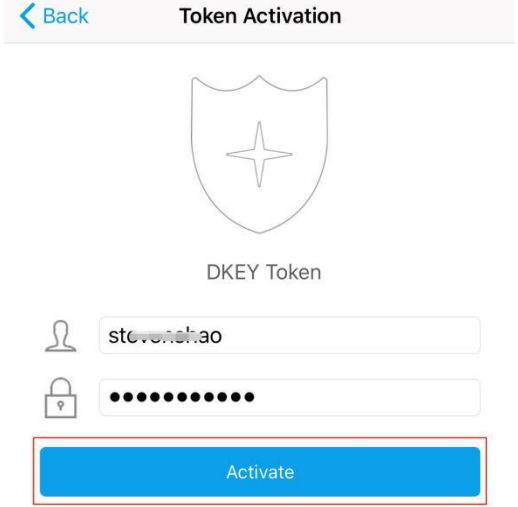

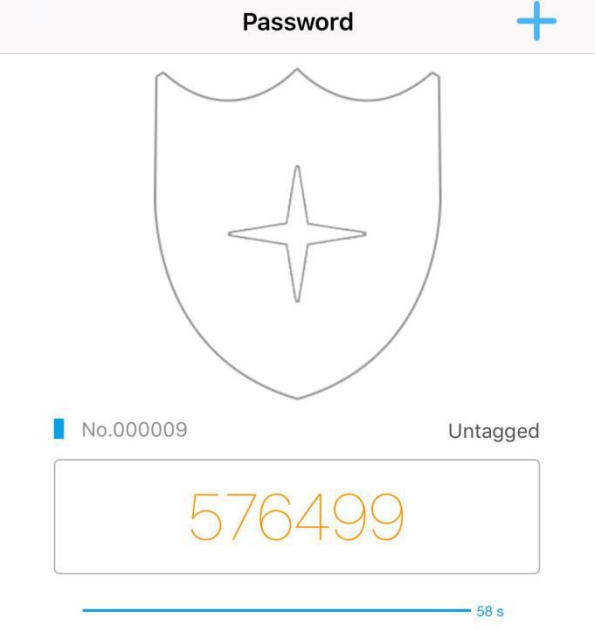

- Remote access to campus online resources;
- Access LRC e-resources;
- Other intranet access systems and applications.

**You have to complete below two part to use the service.**

### Part 1: Install and active the Dkey Token.

<p>1. Download the Dkey Token(宁盾令牌) from App Store(for ios), you can also find it in your Android phone's app store.</p> <p>And install.</p>	
<p>2. Open the Dkey Token App.</p> <p>Scan the QR Code to activate. (Non UIC network).</p>	 <p>Please scan this QR code.</p>

## UIC Campus VPN Service

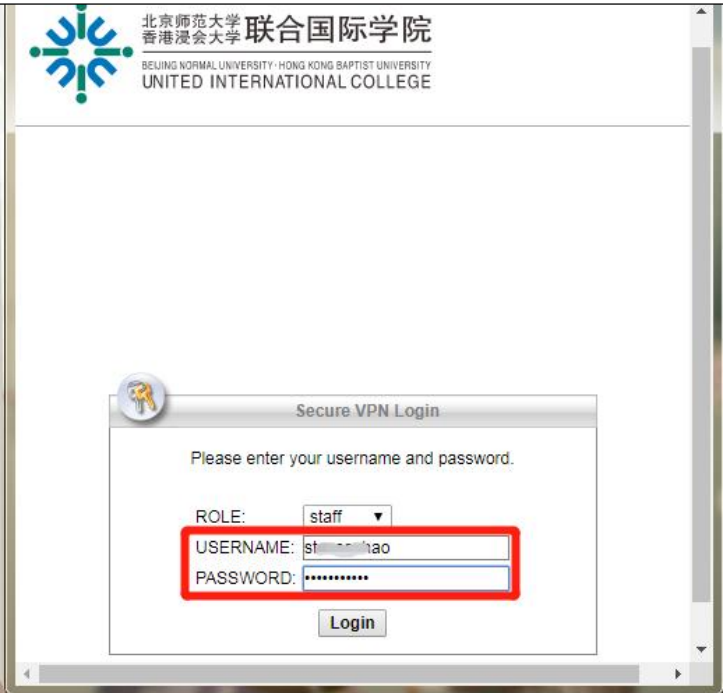

<p>3. Enter your UIC account and password.</p> <p>Click Activate.</p>	
<p>4. Active successful.</p> <p><b>Very Important:</b> The code is random in every 60s and <b>will be used for the Second Part ! ! ! ! !</b></p>	

**Warm Reminder:**

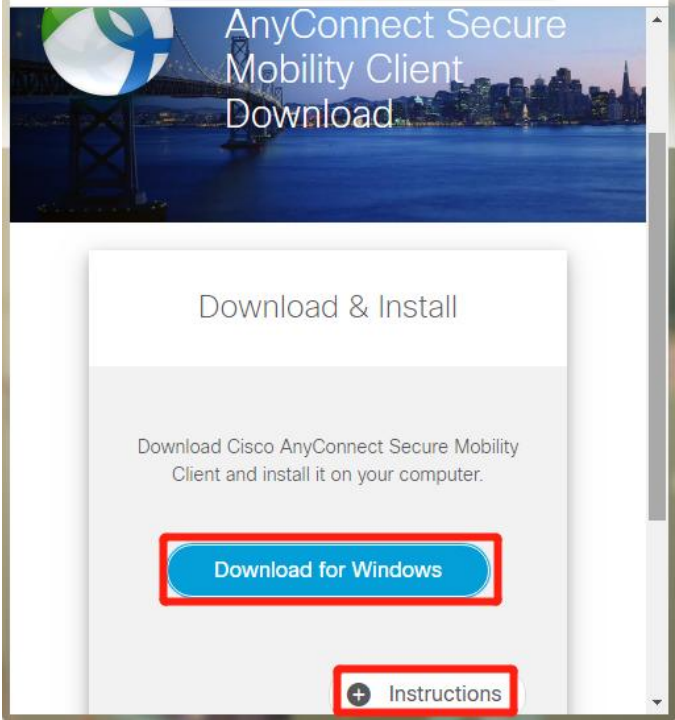

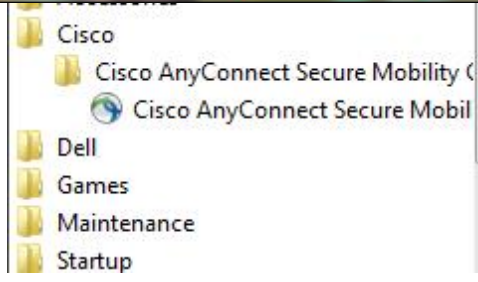

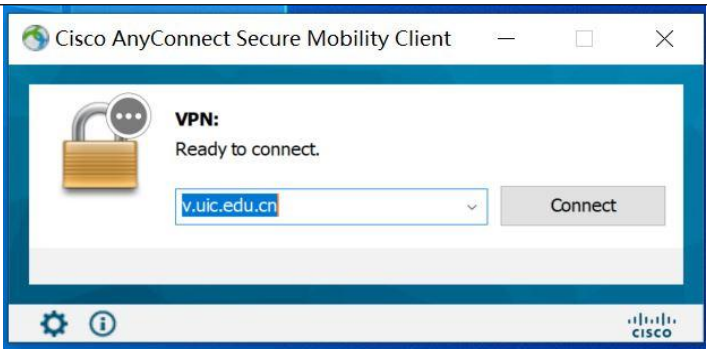

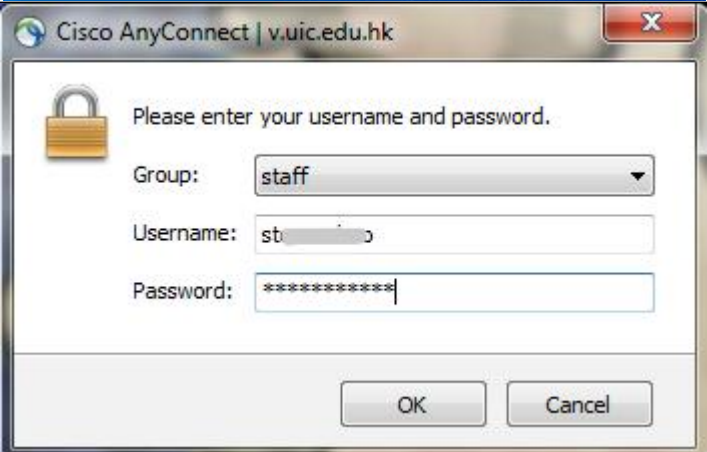

1. Please do not delete this app on your phone, and also it needs to be used in conjunction with part 2 software.
