(3) 查看申请单后不想立即审批，可以之后再进入企业微信工作台- 服务中心，找到表单

If you do not approve immediately after viewing the application form, you can enter the Wecom - **WorkSpace** - **ServicesCenter** to find the form for approval later on.

或者电脑浏览器登录门户( <https://portal.uic.edu.cn> )-服务中心 - 待办 - 找到表单  
(Or log in to the portal and click To Do List to find the form for approval later on

(4) 审批后，申请者会收到电邮和企业微信消息提醒。

After approval, the applicant will receive an email and Wecom message reminder

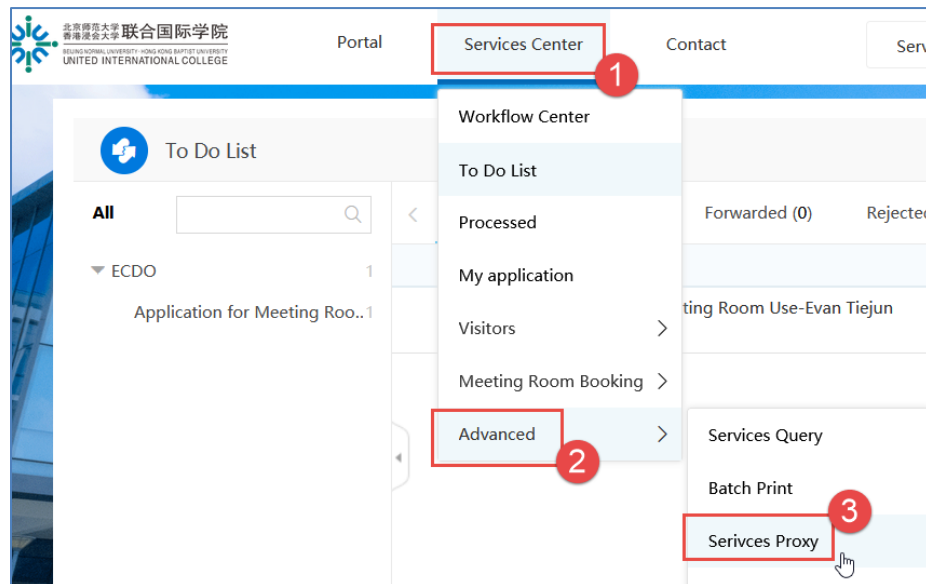

## 2.2 授权代理人审批 Authorized representative approval

审批人可以自行设置代理审批人

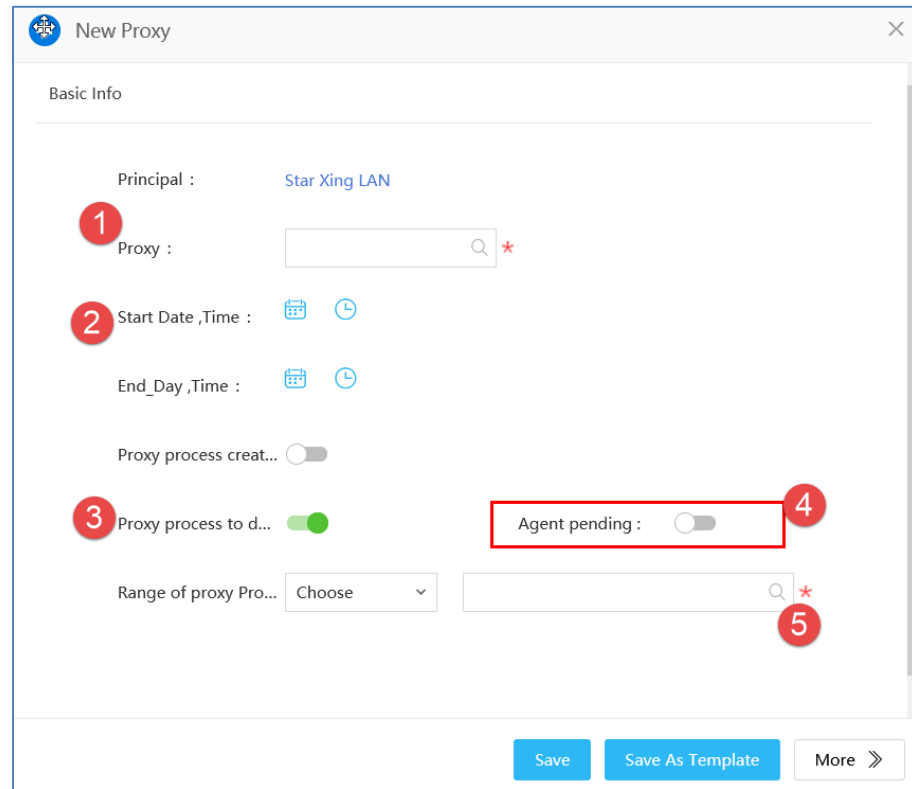

The approver may appoint a proxy approver by itself

设置方法：电脑端登录内网门户，【服务中心】 - 高级- 流程代理

Log in to the portal on the PC: Services Center-Advanced- Services Proxy

新建代理 New Proxy

(1) Proxy: 选择代理人 Choose an representative

请点击【放大镜】图标，打开搜索窗口，按姓名搜索需要设置的代理人

Please click the icon to open the search window and search for the agent you want to set **by name**

(2) 开始，结束周期如果不设置，代表永远生效

Do not set the start and end date means it will always take effect

(3) 默认勾选，代理人处理新的流程

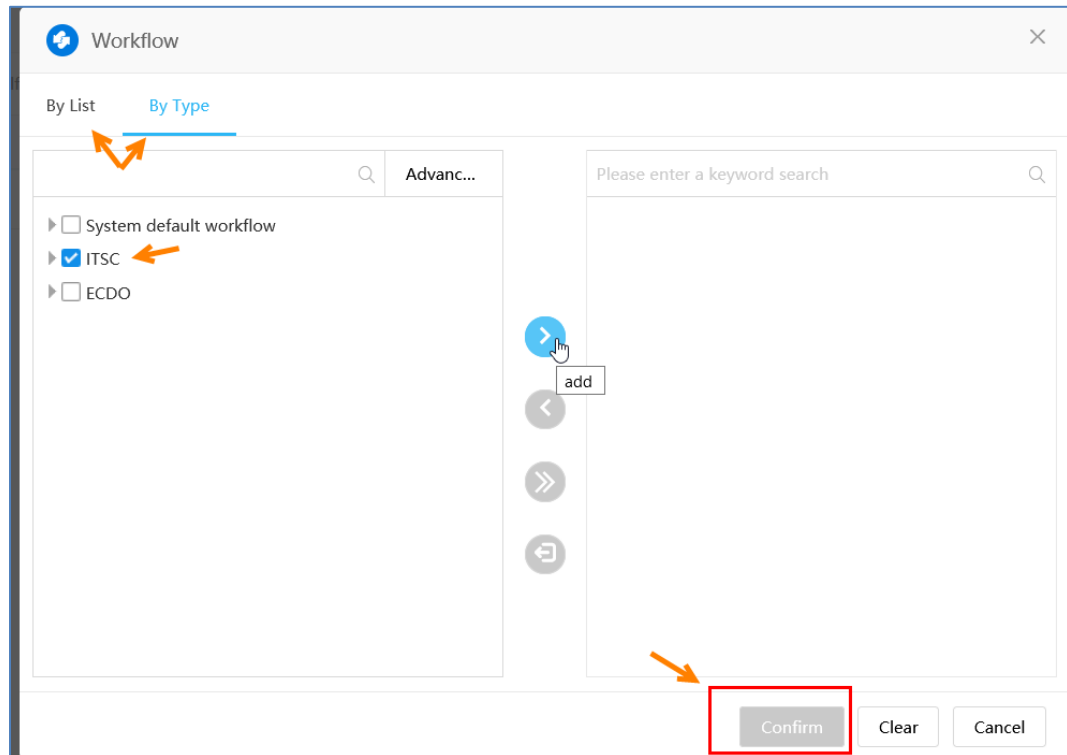

Default ticked, the representative handles the new process

(4) 授权代理人，审批正在等待审批的流程

Authorized the representative to approve the process for the pending process

(5) 可以按流程分类，或单个流程授权代理人，例如把 ITSC 类别的所有申请单授权

The representative can be classified by process, or for a single process, for example, to authorize all application forms of ITSC:

(6) 举例：某部门处长对 EMO 的访客申请，授权职员 AA 代理审批

For example: The director of one department authorizes Staff AA to approve EMO  
“Application for foreign visitors”

### 3. 手机端审批 Mobile terminal approval

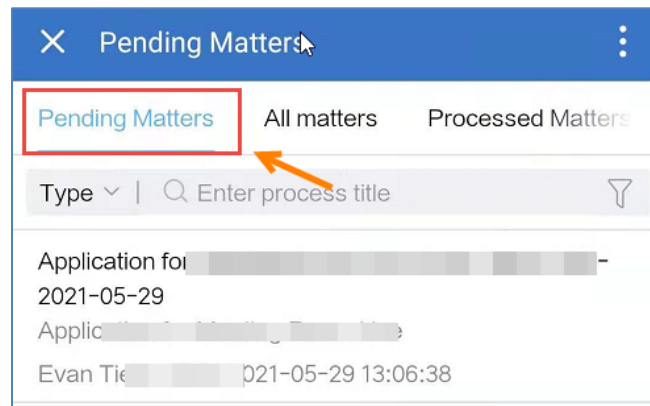

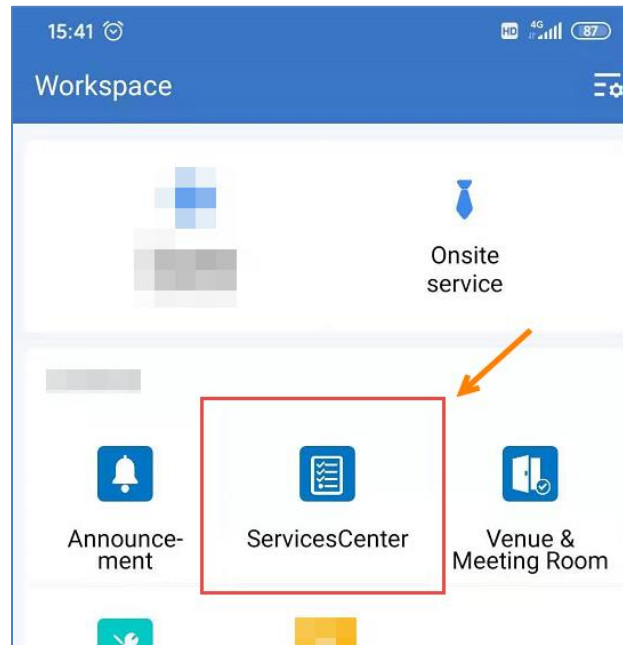

(1) 手机等移动终端设备，请通过企业微信 APP 登录，选择工作台

For mobile devices such as mobile phones, please log in Wecom and select the workspace:

(2) 在服务中心，找到待审批的表单进行处理：

In Services Center “Pending Matters”, find the form to be approved

The End.
